TO CALL JUNIOR COLLEGE BOND ELECTION AGAIN

The Board of Trustees of the Grossmont Junior College District decided to submit a bond issue for the construction of the Grossmont College to the voters at some date prior to December 10, 1962. This action at its regular meeting Monday, followed a discussion of the results of the election on June 5 at which time a $7,500,000 bond issue for this purpose narrowly failed to gain the necessary two-thirds majority.

The Board accepted an offer from the owners of the Fletcher Hills site to extend the district's option on this acreage until December 10 without additional cost. This action makes possible the continuation of the district's application to the Federal Housing and Home Finance Agency for an advance of planning funds. If approved, these planning funds would allow the preliminary planning for the junior college facilities to proceed during the interim before the bond election and in this manner would allow for a shorter postponement of the September 1964 target date for completion of the facilities.

BROADWAY STREET LIGHT BIDDERS SEPARATED BY $3

SAN DIEGO (CNS) — Six bids were received Tuesday by the County Board of Supervisors for installation of the ornamental street lighting project on Broadway, the business street in Lemon Grove, and two of them were under the engineer's estimate.

Low bidder was Fischbach and Moore, Inc., at $14,499, but Ets-Hokin and Galvin, Inc. was only $3 higher, with a bid of $14,502. The high bid was $20,775. The job estimate was $14,625.

Plans call for installation in the now travelled right of way which is to be narrowed at some future date, so the lights will then be behind the curb.

Locally-Written Song Makes Hit

HAPPY SINGERS—These three happy singers are giving a spontaneous rendition of the recently-adopted official song for the Southern California Exposition and San Diego County Fair at Del Mar. The song is "Fairest of the Fair" and these singers are (l to r) Tommy Thomas, of the Spring Valley Bulletin, who wrote the lyrics; Don Diego, official host at the Fair, and Lee Clapham, pianist on the staff of the Coady School of Music in Lemon Grove, who wrote the music.

The song was introduced at the "Miss Fairest of the Fair" judging held in Wegeforth Bowl at San Diego Zoo June 9. Dr. Garry White, music coordinator for the Fair arranged it for big bands. The lilting waltz with catchy words will be played and sung frequently during the Fair. It extols the beauty of "Miss Fairest of the Fair."

Don Diego, who lives in North Hollywood and has appeared in movies with John Wayne and Jennifer Jones (How Tender Is The Night) and also in the film, "Four Horsemen of The Apocalypse" said the song is the best he's ever heard tried out for the Fair song and that it is destined to be the permanent musical theme for this annual event.

GREENERY COMING

COUNTY BUDGETS $28,000 FOR LEMON GROVE PARK

A total of $28,000 will be spent on the Greenspot Park at Washington and Alton sts. in Lemon Grove by the end of July of 1963, according to Mrs. Dorothy Nottingham, chairman of the park committee of the Lemon Grove Coordinating Council.

The first work being done on the park is landscaping. By September or October, green expanses of lawn dotted by picnic stoves and tables should greet the eye, according to Mrs. Nottingham. Currently a slab of concrete is being put in for use in the Tiny Tot section which eventually will contain many recreational facilities for children.

Grovans watch progress on the park with interest. For years community-minded persons have been trying to get a park here. Mrs. Nottingham spearheaded the campaign and in March of this year Cletus "Biff" Gardner, head of San Diego County Parks and Recreation Department, appeared by invitation before the L. G. Coordinating Council and broke the news that the county had budgeted money.

Gardner said in March that part of the work on the Greenspot Park here would be up to local people. He said, for example that if local residents want a shuffleboard court, they would have to pay for it themselves.

The major part of what is needed will be provided by the county. A portion of the $28,000 will be spent as follows:

Restrooms, $8,500
Waterlines, $8,000
Blacktopping of pathways, $1,200

The $3 Million Laos Caper

We are again sending American dollars to Laos. All 3 million of them every month.

We had stopped for a while because Prince Boun Oum who is favorable to American policies and opposed to the Communists philosophy resisted his own overthrow.

Who wanted him overthrown?

The U.S. Department of State.

State Department wanted a "neutral" government which would be comprised of a communist prince, a neutral prince who leans heavily toward communism, and the pro-western Prince Boun Oum.

In order to force Boun Oum to relinquish his rule so as to accommodate a government more sympathetic to the communist cause, the U.S. government cut off the $3 million a month gift we were sending to Laos for government and other use.

Neutralist Prince Souvanna Phouma and Red Prince Souphanouvong, who are half brothers, have agreed to accept control and a neutralist government will be established—unless Boun Oum reneges.

We hope he does. Common sense should tell him that the $3 million a month he was getting is now going to be shared at $1 million per prince. He also knows that the neutralist prince is going to side with the Red prince and they're going to kick him out just as soon as the State boys turn their attention away from Laos and find a new country to wreck.

Some of State's actions might be condoned if our nation benefitted in some small manner from these throw-aways and malpractices. In some instances State not only wrecks the political and economic make-up of the countries they claim they are aiding, but these countries become bitter enemies of the United States and its democratic concepts.

The State department should be called to account for what it is doing in Laos. It should be made responsive to a Congressional committee which would watch-dog it to stop our resources from being dissipated with the same frenzied determination that it has in the past.

If some of State's programs were based on logic, benefits might accrue for our taxpayers and our government. It would be helpful if we could be shown that we are furthering the cause of democracy. But under a canopy of secrecy that is practiced no more assidiously in Red Russia and China than here, we get only meaningless explanations from State.

Architect Seeks Pay For Plans From H.S. District

Trustees of Grossmont high school district are trying to decide how to complete payment of an architect's bill for $54,000 for preliminary planning on a school that isn't being built.

Clyde Hufbauer was authorized to do the work in 1961 for a high school in Santee for which local voters had approved state loan funds in 1959. State approval did not come before the end of the fiscal year, however, and a new bond election had to be called and it failed in October.

In January the board paid Hufbauer $26,497.50 which was obtained by the administration by selling off three acres of land at the Monte Vista high school site. Trustee Robert Dryden said he understood payment was in full for $2[illegible]50. A DOG STAR IS BORN IN LEMON GROVE

A Lemon Grove dog is doing so fabulously in the shows it enters, that the owners are concerned about someone stealing it.

Nearly every weekend "Gladys Star Attraction," a boxer between 6-9 months of age is entered in a show by John and Colleen Hendrix of 1749 Skyline dr. in L.G. On June 17 they entered him at Lancaster, Cal. in the AKC all-breed sanction match of the Antelope Valley Kennel Club.

The fact that 176 dogs were in this show and obedience match didn't faze our L.G. boxer. He took first place, and his record is now 7 wins out of 8 shows entered. Another Hendrix boxer, "Johnny Come Lately" took first in the open division in the Lancaster show.

Rev. Carl E. Nelson of Atonement Lutheran Church at Campo and Cordoba in Spring Valley, leaves soon for Detroit where he will become minister of a larger church. There's a good reason why his local congregation will always remember him.

He was the local church's first pastor. The church people will always remember him for that, because before he came there was not even a church. Rev. Nelson couldn't say if or when he'd be back out here again. "When you take over a church," he said, "you do it as a permanent assignment."

Best wishes to Rev. Nelson.

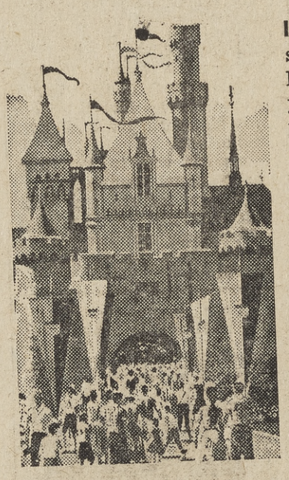
WHAT'S DOING

Sid Mansfield, your telephone manager in Lemon Grove



If you visit Disneyland this summer, you may have a hard time deciding what you enjoyed most. I've been pleased that a number of people have told me how much they liked the Bell System exhibit featuring the Circarama film "America the Beautiful". It's an amazing movie unlike any you've ever seen.

This 360-degree color movie—an exclusive Walt Disney process—takes you on a breath-taking tour of the United States. You can also see how communications link America together ... the newest telephone products and services ... and an exhibit showing how phone calls and TV programs might be transmitted by satellite. Admission's free to "America the Beautiful." We're sure you'll enjoy it too.

LETTERS TO THE EDITOR

Dear Sir:

I have noticed in recent editions of your newspaper varied opinions on the proposed Louis Francis amendment. I have a copy of a 14-page report from the Legislative Council of the State of Calif., which Senator Hugo Fisher was kind enough to send me, which specifically states that the amendment probably would be declared constitutional by the Supreme Court, even if they had to read into it provisions needed to satisfy due process requirements. For anyone interested, the due process requirements of our laws, federal and state are all that protect us from any law if literally construed.

Even in the legislature there has never been, and will never be a proposal that will have 100 per cent support. To those who approve the Louis Francis amendment I have one suggestion. Ask Senator Fisher to send you a copy of the above report and ask him if he read it himself.

Included in this package is a 12-page comparison of the proposed amendment and existing California and Federal law.

I think that everyone who will make this much effort to learn the truth will have to conclude that the measure is not only necessary but is one of the most comprehensive, sensible and best written of any law to control subversive activities.

There is lots of time left before November to study this, and if you do not have enough confidence in our Supreme Court to insure that this measure is constitutional, then you must have worse nightmares than us "witch hunters."

If you have taken the time to study this and you still are are not convinced, try this—look around you and see who the opposition really is. I mean the big opposition that is really fighting for their life. The picture changes real quick, doesn't it? Care to join us?

Respectfully,
G. D. Kindred,
8685 Tyler St.,
Spring Valley, Calif.

NAP BRINGS SHERIFF'S CALL

Sallie Marie Crouch, 9842 Dolores st., S.V., owner of the Make Believe Inn on Campo road and South Bonita, Casa de Oro, called the sheriff's dept. the evening of June 10, protesting the occupation of her bed by Kenneth Martin, 33, 9635 Campo rd. Mrs. Crouch claimed she had boarded at the Martin house at one time and helped take care of his two children.

Previously Martin had called the sheriff's dept. and accused Mrs. Crouch of disorderly conduct and wanted her removed from his house.

Neighbors stated Martin kicked a hole in the door of the Crouch apartment and broken the lock by force. Martin was taken to the county jail charged with unlawful entry and drunkenness.

NEEDS 5 OFFICERS TO SUBDUE DINER

Kenneth Kottkamp, 46, 10429 Fairhill dr., S.V. was taken by Deputy Sheriff's L. R. King and R. V. Ring, from a S.V. drive-in restaurant at 1:15 a.m. June 12, fighting every inch of the way. The manager of the restaurant alleged Kottkamp had created a disturbance. He became extra belligerent when he saw the officers and had to be restrained in the patrol car. Report from the county jail was that five officers were needed to place Kottkamp in the tank.

MUSIC MADNESS

Kenneth Martin, living on S. Bonita st., S.V. endangered his life and obstructed traffic near midnight Sunday. Sheriff's patrol officers found him standing in the middle of Highway 94, near S. Bonita st. He said he was just wanting to listen to the music from Club 94 nearby. He was taken to the county jail charged with drunkenness. Martin was taken in on the same charge several weeks ago.

HONOR AMONG FRIENDS?

Raymond Knowles, 18, 8816 La Mesa blvd., and Thomas West, 18, 4245 N. Cordoba st., S.V. were arrested June 15 by sheriff's deputies for alleged theft of parts from the '46 Ford belonging to Michael Constance, 16. The car was parked in the yard of Constance Welding & Machine Shop, 9995 Campo rd., S.V. in late May. The parts, the hood and gauges, were found at 7300 San Pasqual st., L.G. The juveniles admitted stealing the hood from the car. West said he did not know what came over him to steal from his good friend. They stated they carried the hood and gauges to a place on Helix st. and left the hood lying in the yard. West stated he was going to try to square it with Constance before he got caught. They were booked at the county jail.

Names of the culprits were handed the sheriff's office.

ation for governor and is a Los Angeles Assemblyman and Assembly minority leader.

The "conditions" which Mr. Nixon, and the Republican Party will have to meet are: cutting $200 million from the state's budget, and giving Mr. Shell choice of selecting every third delegate to the 1964 presidential convention.

Assemblyman John Busterud, who is candidate for the state's treasurer's post summed it up with admirable restraint when he pointed out that "Mr. Shell didn't win the nomination, he lost it."

Shoe pounding nowadays represents political extremes and Mr. Shell is reputed to have the support of those who circulate in John Birch Society circles. Birchers are extremists and if Mr. Shell's high-handed and arbitrary attitude truly reflects that of the Birchers, we have more to fear politically than many have thought.

Shell has a reputation for having positive views on causes he espouses. We were not able to detect this facet of his character during the several contacts we had with him during his campaign year. Yet, he has assumed the role of dictator in his demands on state Republicans. We feel that he ought to be regarded in the same light as the youngster who won't play "unless you play my way."

Mr. Shell, probably urged by his more rational advisors, this week met with the Nixon group "in the interest of party unity" and state GOPers hailed his action as a noble gesture.

No matter how State GOP leaders slice it, Mr. Shell said all too succinctly that he wouldn't campaign for Nixon and that he would not request his supporters to throw their support to Nixon.

Dr. Bunge Guest Speaker; Detzer At Redlands

Dr. Fred Bunge of Cal Western University will be guest speaker at Lemon Grove Methodist Church this Sunday, taking the place of Dr. Jordan Detzer who is attending the annual conference at Redlands University.

"Whom God Hath Hedged In" is Dr. Bunge's topic.

Those wishing to go to Redlands for the conference Saturday should contact the church and make reservations, the church said. Cars will be leaving the church at 7:30 a.m.

Sunday is Youth Rally Sunday. All youth groups are to gather for inspirational services. On Tues., June 26 at 7:30 p.m. is the yearly coordinating committee meeting of all groups using church property.

Rev. Detzer was to speak at the Redlands conference on Thursday morning of this week as part of the Board of Education presentation. He was to discuss at 10 a.m. the two types of criticism of Methodist literature—constructive and destructive.

Several thousand delegates at the conference were expected to hear the talk, which urges a greater attempt on the part of each of us to understand what we are criticising.

Atomic Force Subject Of CS Text Sunday

"Is the Universe, Including Man, Evolved by Atomic Force?" This question will be the subject of the Lesson-Sermon in all Christian Science churches on Sunday.

Excerpts from the spiritual record of creation will include these Bible selections from Genesis (1:26, 31), "And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. . .And God saw everything that he had made, and, behold, it was very good."

VALLEY DE ORO LITTLE LEAGUE

Invincible Yankees Shake Loose From 8-Inning Stalemate With Lions

Another week finds the invincible Yankees of the Valley de Oro Little League Majors undefeated after 14 games. But their toughest game so far was last Saturday against second place Lions. The game was scoreless after eight complete innings. In a hitting marathon in the top of the ninth, the Yankees scored four runs. The Lions attempted a rally, sparked by an exciting home run by Tim McCarthy, but were unable to score further, and suffered a defeat of 4 to 1. Jimmy Crawford was winning pitcher.

Saturday also found the Rams of the Majors maintaining a close third place standing after having defeated the Cubs 4 to 0. "Big John" Dauda slugged a spectacular home run. Kim Breedlove was w.p. A third home run was hit during the week by Bob Jacobson of the Lions. The Major standings at the three-quarter mark are: Yankees, 14 wins, no losses; Lions 8 wins, 6 losses; Rams, 7 wins, 7 losses; Colts and Dodgers, 5 wins, 9 losses; and Cubs, 3 wins and 11 losses.

REVERSAL IN MINORS

An unexpected turn of events during the past week reversed the first and second-place standings in the Minors, when the second-place Owls defeated the first-place Larks Thursday night in a 3 to 0 shutout. Ken Martin, w.p. was credited with 12 strike-outs. The Owls, who again tied for top place, went on to defeat the Eagles in a 17 to 4 decision in the first half of a double-header on Saturday in which Billy Horak was winning hurler.

In the second game, the Larks suffered a 10 to 3 defeat by the third-place Orioles.

CAJON DE ORO FANS MAKE GOOD SHOWING

Outside of a few close games, a one-sided game, and some heavy hitting in the Cajon de Oro Little League, this past week didn't give the fans too much excitement, although there were a few fans with laryngitis the days following the games, due to rooting for their favorite hitter or player.

Here are scores in the Majors:

June 11. Tigers 9, Cougars 7, with Mike Margulis the winnig pitcher.

June 12. Elks 8, Colts 5, and the winner on the mound was Charlie Turner. Mike Garber of the Elks got the lone homer.

June 13. Lions 4, Bears 3, with Tim Gauss as w.p.

June 14. Elks 11, Tigers 6. Mike Garber, who has been doing a great job on the mound this season, was w.p.

June 15. In the first game of the double-header, it was Lions 21 and the Cougars 0. Jim Upson did a great job on the mound by making the shutout. However, the Cougars made the only double-play of the game when Larry Goshon caught a fly ball and threw to Kirk Riley at 2nd.

In the second game, it was Colts 7, Bears 3, and the winner on the mound was B. J. Felthaus.
